

## RECIPE IDEAS FOR THE GIVING PLATE

### Christmas Waves in the Snow

#### Ingredients:

- 10oz Bag of popped white popcorn
- 2 Cups of Kix Cereal
- 16 oz. Bag of Corn Chips
- 1½ pounds of White Almond Bark (not white chocolate chips)

#### Instructions:

1. In large bowl, combine popcorn the Kix, and corn chips
2. Melt white bark and pour over the mixture, stirring to coat
3. Spread on wax paper to cool
4. When cool put the “waves” into bags or a sealed container

Optional: melt red and/or green candy wafers (available at craft stores or the specialty aisle of your grocery store); put into small plastic bag, cut tiny hole in one corner, and make waves across the top of the popcorn.

### Feta Dip with Crackers

#### Ingredients:

- 1 block or container of feta cheese (can use light)
- 1 block of cream cheese (can use light)
- 1/3 mayo (can use light)
- 1 clove of garlic minced
- Several dashes of dried dill or Italian spices to taste

#### Instructions:

1. In a medium size bowl, mix all the ingredients together
2. Add additional mayo if the consistency is too thick and hard to spread
3. Serve with your favorite crackers
